

What is Gift of Life Foundation?

The Gift of Life Foundation is focused on increasing philanthropy and education regarding organ, eye and tissue donation and transplantation. This nonprofit organization uses membership dues and donations to promote educational efforts to the public and provide financial assistance to transplant recipients.

The Gift of Life Foundation sponsors a variety of educational programs. In addition, the foundation provides financial grants to organ transplant recipients who need help paying for immunosuppressive drugs, and extends grants to transplant social worker departments within Michigan transplant hospitals.

By becoming a member of the Gift of Life Foundation, you support the grants and activities that increase professional growth and boost donor registration and transplant awareness among the public.

The Gift of Life Foundation supports the mission of Gift of Life Michigan, which is to improve and extend lives through quality programs which maximize organ and tissue donation for transplantation.

The Gift of Life Foundation
annual membership meeting
is held each fall.

Membership Application

Gift of Life Foundation Grants

Here are examples of how the Foundation supports organ, tissue and eye donation and transplantation.

Williams Memorial Grant Fund

Provides grants of up to \$1,000 to recipients needing financial assistance for their transplant maintenance medications and insurance co-pays.

Transplant Social Worker's Patient Assistance Fund

Provides grants of up to \$1,500 to each transplant center in Michigan. The fund provides assistance when a patient's normal support system has broken down or their financial resources are insufficient to meet their immediate needs.

Community and Lecture Grants

Provides grants to nonprofits to promote organ and tissue donation educational efforts to the general public, health care professionals, institutions and transplant patient support groups.

One organ recipient who benefited the Gift of Life Foundation

"I am so grateful for the grant to help me with my expenses for medication and syringes. The Williams Memorial Grant and Gift of Life Foundation have helped me deal with my medical problems and many stressful situations."

Monique Dickinson, kidney recipient

Donor Memorial Wall and Kiosk Beaumont Hospital-Dearborn (formerly Oakwood Hospital)

In September 2014 Oakwood Hospital received a grant from the Gift of Life Foundation to construct a Donor Memorial Wall. This interactive kiosk contain organ, tissue and cornea donor dedications, as well as donation facts and information in English, Spanish and Arabic so that anyone can educate themselves and learn how to sign up on the Michigan Donor Registry.
