Lecture Series Grant Application 2020-2021

The Gift of Life Foundation is a non-profit organization dedicated to promoting and supporting Michigan's donation and transplant community. The Lecture Series Grant has been established through the Gift of Life Foundation to encourage transplant-related institutions to educate and inform professionals and the public about innovative and recognized best practices in the field of transplant and/or donation.

The guiding principles of the Gift of Life Foundation are as follows:

- *We envision a day when organ and tissue donation is the cultural norm for all citizens in Michigan so that no one dies waiting.*
- *As good stewards of public support, we manage our costs vigilantly, to increase resources that will support grants to the community and transplant centers.*
- *We provide grants of financial assistance to transplant centers, post-transplant recipients and waiting candidates to help with financial challenges and transplant successes.*
- *We promote the cause of organ and tissue donation and transplantation in the community by funding public and professional education efforts.*

Funding decisions are made at the Board of Trustees spring meeting and apply to the next funding cycle, which begins in July of each year. In order for your request to be considered for the upcoming funding cycle (July 1, 2020 – June 30, 2021), complete packets are to be submitted before March 15, 2020.

Lecture Series Grants are limited to \$2,500 annually.

GIFT OF LIFE FOUNDATION GRANT AGREEMENT

I have read the requirements for submission for a Community Grant through the Gift of Life Foundation and have attached all required materials

- I certify the applying organization is non-profit and tax exempt 501(c) (3) under IRS guidelines.
- I agree to use this grant to serve populations in Michigan exclusively.
- I am aware that funding decisions will be made in late spring, with announcement of awards to be made no later than July 1, 2020.
- I will contact the Foundation if there is a change in project manager, non-profit status of the organization, or any other factors that may affect the awarding of the grant.
- I have read the requirements for application for a lecture series grant through the Gift of Life Foundation and have attached the materials as required. I will contact the Foundation if there is a change in lecture organizer, lecture details, or any other factors that may affect the awarding of the grant.
- I am aware that to receive funds for the lecture series, the speaker/transplant related institution will be required to agree to share the lecture (e.g., webcasts, videotaping, program and lecture materials) to reach the broadest audience possible. **All lectures must include recognition of funding in materials and verbally during the lecture, which will include the phrase, "This lecture is sponsored in (whole or part) by the Gift of Life Foundation" followed by a call to action regarding the Michigan Organ Donor Registry, directing registrants to either call 866-500-5801 or register online at www.GiftofLifeMichigan.org.**
